

**FENCE INSTALLATION APPLICATION
TOWN OF NORTH HARMONY**

GENERAL INFORMATION: (Ref. Sec. 618 Fences/Walls of the Zoning Code)

Fences include hedges and fencing installations around pools and patios.

Fences may be up to 4' high. (Special Permit required for higher fencing.)

Fences shall be a minimum of 10' from road (not on right-of-way) and not closer to property line than 2' unless agreed upon in writing between adjoining property owners – copy attached herewith.

Fences shall not be within 50' of shoreline without a Special Permit. Finished side must be installed to face adjacent property.

Fence material must be durable and of a type generally used and accepted by the industry.

Exempt from these regulations (per Local Law #1 of 1989) are fences used on farms for agricultural purposes. Maintenance regulations do apply.

THE FOLLOWING SHALL ACCOMPANY THIS APPLICATION:

1. The fee as prescribed by Local Law #1 of 1989.
2. Completed Zoning Permit Application.
3. A Plot Plan showing proposed fence area, including road and property line setbacks.
