Mr. Warner, acting chair opened the meeting at which time the board reviewed and discussed the first draft of the Comprehensive Plan brought in by Mr. McCord. Mr. McCord asked that the board continue to review the document and should they find corrections, changes, inclusions or exclusions that should be made, those changes should be reported to him no later than July 20, 2010. If board members were unable to attend the meeting, you can pick up your copy of the Comprehensive Plan at the office.

Mr. McCord said that after the document has been reviewed he hopes to have it available for public review by July 26, 2010. The public meeting to formally present the Comprehensive Plan to the public is scheduled for August 21, 2010. Mr. McCord reminded board members that fliers to inform citizens about the meeting will need to be handed out at the transfer station on July 24th and July 31st. The board should set a schedule so that each member knows when they should arrive for their shift.

Mr. Lawson reiterated the report he gave during the June 29, 2010 meeting; so far there are a total of seven new homes being built within the Town of North Harmony and he has heard rumor of a couple more, he has issued a few violations.

The next regular meeting is scheduled for: August 10, 2010

The meeting concluded at 8:27 PM
