

NOTICE TO ALL TRANSFER STATION USERS – NEW STICKER PROGRAM

As many of you are aware the Town of North Harmony Transfer Station has experienced numerous incidents of illegal dumping and use by persons who are neither taxpayers nor residents. In an effort to curtail these types of activities the town will be instituting a new style of sticker which will identify those authorized to use the station by matching the license plate number on the sticker (to be located on the rear window of vehicle) to the license plate on the vehicle using the station. Below is the application which must be completed in order to receive one (1) sticker for the transfer station. **Additional stickers for second vehicles or replacement stickers will be available at a cost of \$1.00 each.** Stickers can be obtained from the Town Clerks office. **Proof of authority to use the transfer station required:** (i.e. copy of tax bill; utility bill with name, address, etc.). Modifications to the use of the license plate number will be made for seasonal rental properties and other circumstances will be taken into consideration.

ALL TRANSFER STATION USERS MUST DISPLAY THE NEW STICKER BY JUNE 1, 2013. If mailing your application, please include a self-addressed stamped envelope so we can return your sticker.
